

## **Cumberlands Policy for Serving Individuals with a Bachelors or Master's Degree**

In order to serve Individuals with a Bachelor's or Master's Degree, sufficient documentation showing that individual cannot obtain employment or has a degree in a field that has no demand within our Workforce area. Training will be limited to one year and will be subject to current ITA Policy.

Amend the policy to pay for (2) years for those with Bachelor's degrees entering into the Master's Degree programs that encompass counseling within the mental health and substance abuse disorder fields.
