

**CUMBERLANDS WORKFORCE DEVELOPMENT AREA**  
**Youth On-the-Job Training (OJT) Policy**

1. Potential employees (ages 18 to 24) may be recruited by the Employer or referred by CWDA Career Manager. Eligibility for WIOA services must be determined. No eligible employee can be hired using an OJT until contract effective date has been determined and contract signed.
2. The CWDB must approve participant's enrollment in on-the-job training if they are enrolled in another program overseen by the CWDB with one exception. If short term training takes place for individuals that will be on an OJT, the difference between the cost of the short term training and the maximum amount of \$2,000 for an OJT, will be the amount available for the OJT contract.
3. The employer must agree to hire prior to training with the intention of retaining the trainee as a regular employee after the completion of the training period. This does not preclude the employer from terminating a trainee that is determined unable to master the training or dismissing him for what the employer deems good cause.
4. In all cases the final selection (hiring) of the employees will be left to the Employer.
5. The Employer will give special consideration to the hiring of qualified disabled veterans and recently separated veterans.
6. No person should be trained who has the basic skills and knowledge required for satisfactory performance in said occupation(s). This determination will be accomplished thru testing by WIOA Career Managers or appropriate required WIOA agency.
7. All employees under the On-The-Job Training Program will be subject to the same company rules and regulations as any other employee. They shall be covered by worker's compensation in compliance with Kentucky Revised Statutes. All fringe benefits and working conditions that are extended to other employees, in similar or equal positions, shall be extended to all trainees. The employer will be required to furnish all necessary materials, equipment, and supplies as needed to complete training.
8. Full-time employment shall consist of a 40 hour week, except where fewer hours are normal to the occupation, but in no case shall it be less than 24 hours per week. Reimbursement for each participant will be limited to a maximum of 40 hours per week. Any time worked above 40 hours cannot be submitted but does not limit the participant from working more than 40 hours if required. Participants in OJT shall be paid the same wages as other workers in the same or similar jobs, but in no event shall it be less than the minimum wage rate specified in Section 6(a) (1) of the Fair Labor Standards Act.
9. No WIOA funds under this contract will be used to assist, promote, or deter union organizing. No WIOA funds under this contract will be used in relocation of the WIOA employers business, or parts thereof, from one area to another unless such relocation will not result in an increase in unemployment in the area of original location or in any

other area as determined by the Secretary of the U.S. Department of Labor. No currently employed worker shall be displaced by any participant (including partial displacement such as a reduction in the hours of non-overtime work, wages, or employment benefits). No participant shall be employed or job opening filled (A) when any other individual is on layoff from the same or any substantially equivalent job, or (B) when the employer has terminated the employment of any regular employee or otherwise reduced its workforce with the intention of filling the vacancy so created by hiring a participant whose wages are subsidized under this Act. No jobs shall be created in a promotional line that will infringe in any way upon the promotional opportunities of currently employed individuals.

10. No funds provided under this Act shall be used for OJT training for any establishment or parts thereof that has relocated, until 120 days after the date on which such establishment commences operation at the new location, if the relocation will result in the loss of employment for any employee of such establishment at the original location.
11. An employer must be in compliance with all local, state, federal labor laws and is required to be in compliance with all State and Federal tax and license requirements.
12. No abnormal labor conditions such as a strike, a lockout or other similar condition may exist at the establishment or its affiliates.
13. No OJT shall be written that would impair an existing contract for services or collective bargaining agreement, or be inconsistent with the terms of a collective bargaining agreement without the written concurrence of the labor organization and employer concerned.
14. Highly mobile, highly competitive industries where minimal training is required will be considered on an individual basis.
15. Industries with a substantial number of experienced and able workers presently unemployed and available to fill job openings, with no extraordinary amount of training, will not be eligible.
16. Occupations must not be dependent on commissions as the primary source of income and cannot be professional occupations requiring a license. Occupations experiencing or historically having a large turnover in employees will not be eligible.
17. No employer will be eligible for an OJT contract who has previously received payments under previous contracts under WIOA or WIA if the employer has exhibited a pattern of failing to provide OJT participants with long term employment with wage, employment benefits (including health benefits) and working conditions at the same level and to the level and to the same extent as the other employees working a similar length of time and doing the same type of work.
18. Training outline and job description with number of hours to achieve job entry level skill will be provided by employer. The Workforce Development Director will assure that these are in compliance with Board policy.

19. No OJT participant may be a member of the subcontractor's immediate family. For the purposes of this policy "immediate family" shall mean as spouse, children, parents, siblings, grandparents, grandchildren and immediate in-laws (same relation to spouse as identified for employee).
20. Participants shall not be employed on the construction, operation or maintenance of any facility that is used for sectarian instructions or as a place for religious worship.
21. Reimbursement rate under WIOA will be up to 50% of the wage rate with a maximum reimbursement of \$2,000 per Out-of-School trainee.
22. Payment will be made when training is completed. Invoice provided by LCADD, is to be completed with appropriate time sheets attached. Time sheets shall be signed by the employee and employer.
23. The Employer certifies that all training wages associated with this agreement are the same starting wage of job assigned as any other employee performing the same job.
