

POTENTIAL PARTICIPANTS AND FOUR YEAR DEGREES

- 1) If a potential participant is looking to obtain a four-year degree with the four years being continuous, WIOA services would be offered for the final two years if eligible.
- 2) If a potential participant is considering a four-year degree with a break in education after two years, with the possibility of returning or continuing on a part time basis after two years of education they may receive WIOA services if eligible the first two years with a signed agreement. The agreement between the potential participant and WIOA Career Manager will be agreed upon and documentation signed that meets WIOA performance standards, employment and retention must be met. Coordination, after two years of education between the participant and career manager, to find employment through monthly case management will be delivered.
- 3) Results of participants not gaining employment and fulfilling WIOA requirements will result in immediate termination of providing the first two years of a potential four-year degree.
